

Please Keep My Doctor's Office Open!

Dear _____:

Please help keep my doctor's office open! Pennsylvania's doctors are faced with a crisis: some may have to close their doors forever. The cost of medical liability insurance in our state is so high that my doctors may be forced to cutback services, hours—or even move out of state to practice medicine in the future.

Please support measures to relieve the high cost of medical liability insurance for my doctors.

Please keep my doctor in Pennsylvania.

Please preserve *patient-doctor relationships* in Pennsylvania.

Sincerely,

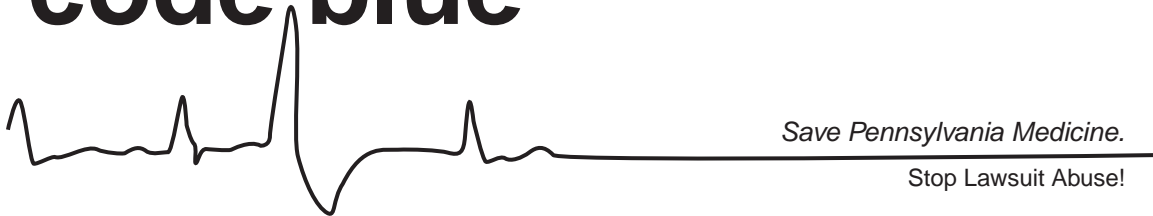

Name: _____

City: _____

County: _____

My doctor's name: _____
